## EXPRESSIONS OF INTEREST (EOI) SWS IV - THAILAND 2023

IPSC Australia (IPSCA) would like to call for expressions of interest to compete at **SWS IV – THAILAND 2023** to be held from 28 November through to 5 December 2023.

At this stage as IPSCA is still waiting for Regional slots to be allocated and finalised, we are unable to provide details on Australia's slot allocations. Nonetheless, in line with the standard Level VI and V match process, IPSCA requests that over the next 10 weeks, members interested in participating at the event should submit their EOI so that IPSCA can confirm the total number of slots required and endeavour to try and secure as many slots as possible. The fee of AUD\$500 must accompany the EOI. (Email the Secretary for account details).

Again, in line with the standard practice, should there be a shortfall in available slots compared to slots requested by IPSCA, a ballot will be conducted at the 2023 Handgun Nationals to allocate non-team slots to our members.

IPSCA will be sending teams to *SWS IV – THAILAND 2023*; teams will be selected as per the IPSCA Team Selection Criteria which is available at [IPSC Australia Team Selection Criteria v2.3](#)

Those members interested in being selected for Australian Teams must provide an EOI to compete at *SWS IV – THAILAND 2023*. If successful, they will be duly notified and guaranteed a slot in the main match.

Please forward all EOIs no later than **24 March 2023** to –

IPSC Australia Secretary  
Stuart Boak  
Email: [secretary@ipsc.org.au](mailto:secretary@ipsc.org.au)  
Postal: GPO Box 3293 Darwin NT 0801.

Once Regional Slot allocations have been confirmed all members submitting an EOI will be notified if a Slot ballot is required or if they have been successful in securing a slot in the *SWS IV – THAILAND 2023*.

As further information on *SWS IV – THAILAND 2023* becomes available we will provide what we can on the IPSCA website and Facebook page; also updates from World Body at [www.ipsc.org](http://www.ipsc.org)
