Permits/Licensing

IPSCNT will arrange a 'blanket permit' for the duration of the event. The permit will cover those competitors attending the Championships and for those that intend to travel after the event.

Please note, anyone competing at the Championships will need to have the applicable firearms licence or permit. Competitors that do not have a licence will unfortunately not be able to compete due to NT Firearms legislation.

Range Officers

Typical arrangements will be in place for Range Officers, accommodation, entry to the event, catering and Awards Dinner. Transport to and from the airport/range is also included.

An estimated 60 Range Officers will be required for the handgun match. This also includes the Stats Team.
