Round Count:	Approx. 330 Rounds minimum

IPSC Australia would like to extend an invitation to all IPSC competitors to join us at the 2025 IPSC Australia National Championships. The Championships will be Level III sanctioned matches running under current IPSC world rules.

The 2025 IPSC Australian Handgun Championships will consist of 18 stages (plus Chronograph) for a total of 330 rounds minimum. To be shot over three (3) days of competition for the main match and two (2) days for the pre-match. All divisions are welcome to compete, Open, Standard, Classic, Production, Production Optic and Revolver. 9mm Minor ammunition may be available on request for international competitors only.

The match will be held at the Townsville Pistol Club range at 146 Mount Stuart Rd, Roseneath Queensland, approximately 15km (20 minutes) from Townsville city centre.

For more information regarding these matches, please go to the 2025 IPSC Australia Championships section of the IPSC Australia website : [2025 IPSC Australia National Championships](#).

Best Regards
GARETH GRAHAM
IPSC Australia Regional Director
